

APPLICATIONS DEALT WITH BY THE HEAD OF SERVICE
UNDER SCHEME OF DELEGATION
FROM 10/3/2022 - 10/30/2022

**Fife Council
Enterprise, Planning and Protective Services
Kingdom House
Kingdom Avenue
Glenrothes
KY7 5LY**

1 **Application No:** 22/02687/FULL **Date Decision Issued:** 05/10/2022

Ward: Buckhaven, Methil And Wemyss Villages

Proposal: Two storey extension to side of dwellinghouse

Location: 12 Wren Street Buckhaven Leven Fife KY8 1HF

Applicant: Mr & Mrs N Cook 12 Wren Street Buckhaven Leven Fife KY8 1HF

Agent: Andrew Allan Balcairn House Viewfield Terrace Dunfermline UK KY12 7HY

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. IN THE EVENT THAT CONTAMINATION IS ENCOUNTERED that was not identified by the developer prior to the grant of this planning permission, all development works on site (save for site investigation works) shall cease immediately and the local planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the local planning authority or (b) the local planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the local planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure all contamination within the site is dealt with.

2 **Application No:** 22/02154/ADV **Date Decision Issued:** 13/10/2022

Ward: Burntisland, Kinghorn And West Kirkcaldy

Proposal: Display of 2 replacement free-standing internally-illuminated digital poster panels

Location: J C Decaux Advertising Board Esplanade Kirkcaldy Fife

Applicant: Mr Rob Edwards 225 Bristol Road Birmingham B5 7UB

Agent: Phil Koscienc 21 First Avenue Acton London W3 7JP

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. For the avoidance of doubt, the two signs shall only display static images for the lifetime of the development.

Reason(s):

1. In the interest of road safety; to avoid the creation of a distraction to passing motorists.

3 **Application No:** 21/03954/LBC **Date Decision Issued:** 20/10/2022

Ward: Burntisland, Kinghorn And West Kirkcaldy

Proposal: Listed Building Consent for installation of 3 No. replacement windows to front of dwelling

Location: 7 Craigkennochie Terrace Burntisland Fife KY3 9EN

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

7 **Application No:** 21/03844/FULL **Date Decision Issued:** 03/10/2022

Ward: Cowdenbeath

Proposal: Erection of 19 affordable dwellings and associated infrastructure.

Location: Former Valley House 44 Hill Street Cowdenbeath Fife KY4 9DE

Applicant: Robertson Partnership Homes And Fife Council Robertson House Castle Business Park Stirling Scotland FK9 4TZ

Agent: EMA Architecture and Design 42 Charlotte Square Edinburgh Scotland EH2 4HQ

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. All units hereby approved, shall be affordable housing as defined within Fife Council's Supplementary Planning Guidance on Affordable Housing (2018) and shall be held as such in perpetuity unless otherwise agreed by the express prior consent in writing of Fife Council as Planning Authority.
3. Before plots 1-8 and 11-19 hereby approved are occupied, the measures specified in the approved Noise Impact Assessment (New Acoustics - Valley House Residential Development Noise Impact Assessment 25th March 2022) shall be implemented in full and be retained for the lifetime of the development. For the avoidance of doubt, the mitigation measures include:
- 6mm/12mm/6mm double glazing which has a sound reduction index of $R_w(C;Ctr) = 31(-1; -4)$ dB and a 2m high close boarded acoustic fence along the rear boundaries of the plots.
4. Before it is planted on site, a scheme of landscaping (including maintenance details) indicating the siting, numbers, species and heights (at time of planting) of all trees, shrubs and hedges to be planted, and the extent and profile of any areas of earthmounding, shall be submitted for approval in writing by Fife Council as Planning Authority. The development shall be completed in accordance with the approved details during first available planning season, after completion of the development.
5. Prior to occupation of the first house, the provision of a pedestrian/cyclist link through the site between Hill Street and High Street shall be constructed in full. For the avoidance of doubt, the existing vehicular access between nos. 100 & 102 High Street shall be upgraded to a shared surface street.
6. Prior to occupation of the first dwelling, the approved SUDs as specified and hereby approved shall be fully installed and commissioned. The scheme shall be signed off by a suitably qualified drainage engineer following installation and be retained and maintained in an operational manner for the lifetime of the development.
7. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

8. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive

Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fifedirect.org.uk/contaminatedland.

9. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 7. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order to define the terms of the consent.
3. In the interest of residential amenity; to ensure maximum noise levels are met.
4. In the interest of visual amenity and biodiversity enhancement; to ensure landscaping for the site is appropriate.
5. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
6. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
7. To ensure all contamination within the site is dealt with.
8. In the interest of sustainability; to ensure the site is permeable for pedestrians.
9. In the interests of securing an appropriate standard of drainage infrastructure and to mitigate flood risk arising from the development.

8 **Application No:** 22/02314/FULL **Date Decision Issued:** 07/10/2022

Ward: Cowdenbeath

Proposal: Change of use from shop (Class 1) to hot food takeaway (Sui Generis)

Location: Albert Buildings 121 High Street Cowdenbeath Fife KY4 9QA

Applicant: Miss Anji Miller 27 Woodside Street Rosyth Fife KY112JR

Agent:

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The hours of operation of the development hereby approved shall be restricted to between 07:00 and 18:00, Monday to Saturday. No operations or activity shall take place on a Sunday or at any time out with the agreed operating hours; unless otherwise agreed in writing with Fife Council as Planning Authority.
3. The food items to be sold from the premises should remain only as those listed within the provided Supporting Statement (breakfast foods, soup, filled rolls, sandwiches, chips, burgers, deserts, and tea and coffee or other hot drinks) and shall only use the small-scale apparatus as declared as part of this planning submission (i.e. no large scale commercial deep fat fryers shall be installed or used). Should any changes and/or additions be made to the general product ranges listed, then these shall only be sold after the prior written approval of Fife Council as Planning Authority has been granted.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order to protect the amenity of adjoining and nearby residents.
3. In order to protect the amenity of adjoining and nearby residents and avoid unacceptable odours or air pollution.

9 **Application No:** 22/02573/FULL **Date Decision Issued:** 13/10/2022

2. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Prior to the occupation of the proposed dwellinghouse, there shall be 2 No. off street parking spaces provided for that dwellinghouse within the curtilage of the site in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places. The parking spaces shall be retained throughout the lifetime of the development for the purposes of off street parking.
3. Prior to the occupation of the proposed dwellinghouse, there shall be provided within the curtilage of the site suitable turning areas for vehicles suitable for use by the largest size of vehicle expected to visit or be used by occupants of the premises to allow a vehicle to enter and exit the driveway in a forward gear. The turning area shall be formed outwith the parking areas and shall be retained throughout the lifetime of the development.
4. Prior to any works starting on site, visibility splays of 4.5m x 210m shall be provided to the East and to the West at the junction of the vehicular crossing and the A917 public road and thereafter, shall be maintained in perpetuity, insofar as lies within the applicants control, clear of all obstructions exceeding 1.05 metres above the adjoining carriageway level.
5. Houses in Multiple Occupation: The dwellinghouse proposed on the site shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt none of the residential units hereby approved shall be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
3. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.
4. In the interest of road safety; to ensure the provision of adequate visibility splays at the junctions of the vehicular access and the public road.
5. In the interests of maintaining a mixed and balanced housing stock as required by Policy 2 of the Adopted FIFEPlan (2017)

Ward: East Neuk And Landward

Agent: David Queripel Eden Park House Eden Park Cupar Scotland KY15 4HS

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 5 years from the date of this permission.
2. A further application(s) for certain matters (Approval of Matters Required by Condition) shall be submitted for the requisite approval of this Planning Authority, together with the detailed plans which shall include:-
 - (a) A location plan of all the site to be developed to a scale of not less than 1:2500, showing generally the site, any existing trees, hedges, walls (or other boundary markers) layout of the roads and sewers, and the position of all buildings;
 - (b) A detailed plan to a scale of not less than 1:500 showing the site contours, the position and width of all proposed roads and footpaths including public access provision, the siting of the proposed buildings, finished floor levels, new walls, hedges and boundary treatments, details of proposed landscape treatment and the phasing of development;
 - (c) Detailed plans, sections and elevations of all buildings proposed to be erected on the site, and their relationship to adjacent land and/or buildings, together with details of the colour and type of materials to be used externally on walls and roofs;
 - (d) Details of the existing and proposed ground levels as well as the finished floor levels all related to a fixed datum point. The details shall specify the extent and height of any areas of mounding;
 - (e) A supporting statement illustrating the developments' compliance with Fife Council's Planning Policy - Making Fife's Places Supplementary Guidance Document (2018) - including reference and proposals relating to the design, layout, green network infrastructure and biodiversity enhancement;
 - (f) A sustainability statement illustrating the developments' compliance with Fife Council's Planning Policy - Low Carbon Fife Supplementary Guidance Document (2019). The sustainability statement shall address all of the matters set out in Appendix B of Fife Council's Low Carbon Fife Supplementary Guidance (January 2019);
 - (g) Details of the proposed surface drainage arrangement.
3. Prior to the first occupation of each of the proposed dwellinghouses, a minimum of 2 No off street parking spaces per 2 or 3 bedroom house and 3 No off street parking spaces for a 4 and above bedroom house shall be provided within the curtilage of each dwellinghouse in accordance with the current Fife Council Parking Standards. The parking spaces shall be retained throughout the lifetime of the development for the purposes of off street parking.
4. Prior to the occupation of the proposed dwellinghouse, there shall be provided within the curtilage of the site suitable turning areas for vehicles suitable for use by the largest size of vehicle expected to visit or be used by occupants of the premises to allow a vehicle to enter and exit the driveway in a forward gear. The turning area shall be formed outwith the parking areas and shall be retained throughout the lifetime of the development.
5. Prior to any works starting on site, visibility splays of 4.5m x 210m shall be provided to the East and to the West at the junction of the vehicular crossing and the A917 public road and thereafter, shall be maintained in perpetuity, insofar as lies within the applicants control, clear of all obstructions exceeding 1.05 metres above the adjoining carriageway level.
6. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and

approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

7. Houses in Multiple Occupation: The dwellinghouse proposed on the site shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt none of the residential units hereby approved shall be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 59 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To be in compliance with Section 59 of The Town and Country Planning (Scotland) Act 1997, as amended by the Planning etc (Scotland) Act 2006.
3. In the interests of road safety. To ensure the provision of an adequate off street parking facilities.
4. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.
5. In the interest of road safety; to ensure the provision of adequate visibility splays at the junctions of the vehicular access and the public road.
6. To ensure all contamination within the site is dealt with.
7. In the interests of maintaining a mixed and balanced housing stock as required by Policy 2 of the Adopted FIFEPlan (2017)

Application Permitted with Conditions**Approve** subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 5 years from the date of this permission.
2. A further application(s) for certain matters (Approval of Matters Required by Condition) shall be submitted for the requisite approval of this Planning Authority, together with the detailed plans which shall include:-
 - (a) A location plan of all the site to be developed to a scale of not less than 1:2500, showing generally the site, any existing trees, hedges, walls (or other boundary markers) layout of the roads and sewers, and the position of all buildings;
 - (b) A detailed plan to a scale of not less than 1:500 showing the site contours, the position and width of all proposed roads and footpaths including public access provision, the siting of the proposed buildings, finished floor levels, new walls, hedges and boundary treatments, details of proposed landscape treatment and the phasing of development;
 - (c) Detailed plans, sections and elevations of all buildings proposed to be erected on the site, and their relationship to adjacent land and/or buildings, together with details of the colour and type of materials to be used externally on walls and roofs;
 - (d) Details of the existing and proposed ground levels as well as the finished floor levels all related to a fixed datum point. The details shall specify the extent and height of any areas of mounding;
 - (e) A supporting statement illustrating the developments' compliance with Fife Council's Planning Policy - Making Fife's Places Supplementary Guidance Document (2018) - including reference and proposals relating to the design, layout, green network infrastructure and biodiversity enhancement;
 - (f) A sustainability statement illustrating the developments' compliance with Fife Council's Planning Policy - Low Carbon Fife Supplementary Guidance Document (2019). The sustainability statement shall address all of the matters set out in Appendix B of Fife Council's Low Carbon Fife Supplementary Guidance (January 2019);
3. Prior to any works starting on site, a new vehicular access shall be formed at the location shown on Drawing No. (04 - PROPOSED SITE PLAN) and, once complete, shall be brought into immediate use. For the avoidance of any doubt, the existing vehicular access shall be closed off to all vehicular traffic as soon as the new access is brought into use.
4. Prior to any works starting on site, the access bellmouth from the public road at the location of the new access, shall be constructed with a minimum throat width of 4.5 metres with 4.5 metre radius kerb for a length of 6 metres from the adjoining road channel line in accordance with the current Fife Council Transportation Development Guidelines.
5. Prior to any works starting on site, visibility splays of 4.5m x 210m shall be provided to the East and to the West at the junction of the vehicular crossing and the public road and maintained in perpetuity, clear of all obstructions exceeding 1.05m above the adjoining carriageway level. All roadside boundary markers within the site curtilage, IE, walls, fences, planting, shrubs etc. being maintained in perpetuity outwith the visibility splay line or at a height not exceeding 1.05m above the adjacent carriageway level, all in accordance with the current Fife Council Transportation Development Guidelines.
6. Prior to the occupation of the first dwellinghouse, the new access track leading from the B9171 public road to the existing access track within the development site shall be constructed to a standard as agreed by Fife Council as Planning Authority and will have passing places that are all intervisible and no less than 150m apart along the length of the private access driveway. A suitable maintenance agreement should be put in place to ensure the access track is kept at a suitable standard thereafter to the satisfaction of Fife Council as Planning Authority.

7. Prior to the occupation of each of the proposed dwellinghouses there shall be a minimum of 2 No off street parking spaces per 2 or 3 bedroom house and 3 No off street parking spaces for a 4 and above bedroom house provided within the curtilage of each site in accordance with the current Fife Council Parking Standards. The parking spaces shall be retained throughout the lifetime of the development for the purposes of off street parking.
8. Prior to the occupation of each of the proposed dwellinghouses there shall be provided within the curtilage of the site, turning areas for vehicles suitable for use by the largest size of vehicle expected to visit or be used by occupants of the premises to allow a vehicle to enter and exit the driveway in a forward gear. The turning area shall be formed outwith the parking areas.

Reason(s):

1. In order to comply with the provisions of Section 59 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To be in compliance with Section 59 of The Town and Country Planning (Scotland) Act 1997, as amended by the Planning etc (Scotland) Act 2006.
3. In the interest of road safety; to ensure that only the new access serves the entire development in a rural.
4. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
5. In the interest of road safety; to ensure the provision of adequate visibility splays at the junction of the vehicular access and the public road.
6. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
7. In the interests of road safety. To ensure the provision of an adequate off street parking facilities.
8. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.

Applicant: Mr and Ms S Kirk 3 Campden Hill Square London London UK W8 7LB

Agent: Isobel Fraser 31-35 Marchmont Road Edinburgh Scotland EH9 1HU

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Where a soil/mine gas risk is identified at the site, development shall not commence until a gas mitigation (membrane) specification/foundation design, and a verification methodology (detailing proposed installation, testing and verification methods) have been submitted to the Local Planning Authority and Building Standards and Safety for comment and approval.
3. Prior to the occupation of the dwellinghouse hereby approved; mitigation shall be carried out and completed in accordance with the agreed gas mitigation design and verification methodology (including; installation of gas membrane, testing and collation of verification information) of approved pursuant to condition 2.
4. Prior to Occupation - Following installation and testing of the approved gas mitigation system a verification report (containing all verification elements) shall be submitted to the Local Planning Authority and Building Standards and Safety for comment and approval.

The plot shall not be brought into use until such time as the mitigation measures for that plot have been completed in accordance with the approved gas mitigation design and a verification report in respect of those mitigation measures has been submitted and approved in writing by the local planning authority.

5. Prior to the occupation of the proposed dwellinghouse, there shall be 2 No. off street parking spaces provided as shown on Drawing No.03 - Proposed Site Plan, in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places. The parking spaces shall be retained throughout the lifetime of the development for the purposes of off street parking.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure the proposed gas mitigation design and verification methodology is suitable.
3. To ensure gas mitigation works are carried out to the agreed protocol.
4. To provide verification that the approved gas mitigation has been installed, tested and validated to the appropriate standard.
5. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.

Ward: East Neuk And Landward**Proposal:** Erection of dwellinghouse and formation of retaining wall including repair work to existing boundary wall**Location:** Site North Of 33 East Green Anstruther Fife KY10 3AA**Applicant:** Mr & Mrs Smith 95 Dundee Street Carnoustie Scotland DD7 7EW**Agent:** Jackie Stephen 95 Dundee Street Carnoustie Angus DD7 7EW**Application Permitted with Conditions****Approve** subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. All works done on or adjacent to existing public roads, including the proposed retaining wall supporting Backdykes, shall be constructed in accordance with the current Design Manual for Roads and Bridges and Fife Council Transportation Development Guidelines. For the avoidance of doubt the submitted documents - 07 RETAINING WALL - OPTION 1 and 08 RETAINING WALL EXAMPLE PRE FILL GABION shall not be approved.
3. Prior to occupation of the proposed dwellinghouse, there shall be 3 No. off street parking spaces provided as shown on amended Drawing No.(02A - PROPOSED FLOOR PLANS) in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places. The parking spaces shall be retained throughout the lifetime of the development for the purposes of off street parking.
4. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fifedirect.org.uk/contaminatedland.

5. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 4. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

6. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site

investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

7. The residential unit provided on the site shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt none of the residential units hereby approved shall be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
3. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
4. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
5. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
6. To ensure all contamination within the site is dealt with.
7. In the interests of maintaining a mixed and balanced housing stock as required by Policy 2 of the Adopted FIFEplan 2017.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The self contained living accommodation hereby approved shall only be used as domestic accommodation ancillary to the main dwellinghouse and not as a permanent separate dwellinghouse. The ancillary accommodation hereby approved shall not be sold or let separately from the existing main dwellinghouse.
3. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

Reason(s):

1. In order to comply with the provisions of Section 59 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order for Fife Council as Planning Authority to retain full control over the development and to avoid the creation of a permanent separate dwellinghouse.
3. To ensure all contamination within the site is dealt with.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The new vehicular access to the site shall be positioned at the Southernmost corner of the existing boundary wall as shown on submitted photographs entitled SITE PHOTOS.
3. Prior to the proposed vehicular access coming into use, visibility splays of 2m x 43m shall be provided to the North and to the South at the junction of the vehicular crossing and the public road and thereafter maintained in perpetuity, clear of all obstructions exceeding 0.6 metres above the adjoining carriageway level, in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places. For the avoidance of any doubt, the existing boundary wall and the existing wooden fence shall require to be lowered to a height no greater than 0.6m along the entire length of the required visibility splays.
4. Prior to the proposed vehicular access coming into use, the first two metre length of the access to the rear of the public footway shall be constructed in a paved material (not concrete slabs).

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interest of road safety; to ensure that the vehicular access is positioned at a location where the full 2m x 43m visibility splay can be provided in both directions to the North and to the South.
3. In the interest of road safety; to ensure the provision of adequate visibility at the junctions of the vehicular access and the public road.
4. In the interest of road safety; to ensure that no deleterious material is dragged on to the public road or footway.

Ward: Howe Of Fife And Tay Coast

Proposal: Listed Building Consent for removal of existing mortar and repair

Location: 41 High Street Auchtermuchty Cupar Fife KY14 7AP

Applicant: Ms Katie Pryde 41 High Street Auchtermuchty Cupar Fife KY14 7AP

Agent: GARY PATERSON 14 Sandylands Road Cupar United Kingdom KY15 5JS

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. Following the removal of the existing failed cement render and BEFORE ANY WORKS STARTS on the repair, repointing and/or replacement of the existing stonework, a further written statement with supporting photographs shall be submitted for the written approval of this Planning Authority. This report should clearly demonstrate that the stonework is in a suitable condition to be retained in perpetuity and detail the proposed method and materials to carry out the repair, repointing and replacement of stonework. If it is found that the stonework is not repairable, then the report should clearly demonstrate if the mortar mix chosen has been informed by the presence of any historical lime-based render found following the existing render removal. It should also indicate how the proposed render would be finished in terms of detail and colour. For the avoidance of doubt, a traditional mortar mix shall be used consisting of lime and aggregate (no cement) and all stone details shall be constructed in natural stone of a colour and coursing to match the existing stonework. Thereafter the works shall be carried out in accordance with the approved details.
2. No power tools shall be used to remove the existing cement render from the building, unless otherwise agreed in writing, with Fife Council as Planning Authority.

Reason(s):

1. In the interests of visual amenity and protecting the historic fabric of the listed building and its placement within the Auchtermuchty Conservation Area; to ensure that the mortar mix will complement the historic character of the building whilst ensuring no damage to the stonework.
2. In order to protect the historic fabric of a listed building; to ensure no damaged is caused by using power tools.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

3. Prior to the first occupation of the proposed dwellinghouse, there shall be 2 off-street parking spaces provided for that dwellinghouse within the curtilage of the site in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places. The parking spaces shall be retained throughout the lifetime of the development for the purposes of off street parking.
4. Prior to the first occupation of the proposed dwellinghouse, there shall be provided within the curtilage of the site, a turning area for a car to allow all cars making use of the access driveway to enter and exit the driveway in a forward gear. The turning area shall be formed outwith the parking area and shall be retained throughout the lifetime of the development. The proposed parking bays and aisle width will require to be of appropriate dimensions to allow for both the off street parking and turning manoeuvres to take place.
5. Prior to the occupation of the proposed dwellinghouse, visibility splays of 2m x 43m shall be provided to the left and to the right at the junction of the vehicular crossing and the public road and thereafter maintained in perpetuity, clear of all obstructions exceeding 0.6 metres above the adjoining carriageway level, in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places/Fife Council Transportation Development Guidelines.
6. Prior to the occupation of the proposed dwellinghouse, the first two metre length of the driveway to the rear of the public footway shall be constructed in a paved material (not concrete slabs).
7. Prior to the occupation of the proposed dwellinghouse, all works carried out on or adjacent to the public roads and footways shall be constructed and completed in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

2. To ensure all contamination within the site is dealt with.
3. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
4. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.
5. In the interest of road safety; to ensure the provision of adequate visibility at the junctions of the vehicular access and the public road.
6. In the interest of road safety; to ensure that no deleterious material is dragged on to the public road.
7. In the interest of road and pedestrian safety; to ensure the provision of an adequate design layout and construction.

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure all contamination within the site is dealt with.

Ward: Inverkeithing And Dalgety Bay

Proposal: Change of use from agricultural building to advanced sheep reproduction and veterinary centre and associated development (Sui Generis) (Part retrospective)

Location: Existing Agricultural Building At Fordell Firs

Applicant: Dr H McKerrow Morris&Young 6 Atholl Crescent Perth Scotland PH1 5JN

Agent: E Henderson Hendersons Chartered Surveyors East Netherton KINROSS
United Kingdom KY13 0SB

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. Notwithstanding the provisions of section 26 of the Town and Country Planning (Scotland) 1997 (as amended) and the provisions of the General Permitted Development Scotland (Order) 1992 (as amended), or any statutory instrument revoking, amending or re-enacting these with or without modification; the site shall not be used other than as a mixed-use advanced sheep reproduction and veterinary centre, including not solely as a veterinary centre.
2. BEFORE THE USE HEREBY APPROVED IS FIRST BROUGHT INTO USE, OR WITHIN ONE MONTH OF THE DATE OF THIS CONSENT IN THE CASE OF THE USE HAVING ALREADY BEEN BROUGHT INTO USE, the new vehicular access between the parking areas and the vehicular access to Fordell Firs Scout Centre shall have been constructed at a gradient not exceeding 1 in 10 (10%), as shown in Drawing No 005 dated 25/07/22, and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles.
3. BEFORE THE USE HEREBY APPROVED IS FIRST BROUGHT INTO USE, OR WITHIN ONE MONTH OF THE DATE OF THIS CONSENT IN THE CASE OF THE USE HAVING ALREADY BEEN BROUGHT INTO USE, there shall have been provided within the curtilage of the site 15 nos. parking spaces for vehicles in accordance with the current Fife Council Making Fife's Places Appendix G. The parking spaces shall be retained for the lifetime of the development.

Reason(s):

1. To ensure proper control over the development in the interests of ensuring development is acceptable in terms of policies in relation to development in the countryside.
2. In the interests of road safety; to ensure the provision of an adequate design layout and construction.
3. In the interests of road safety; to ensure the provision of adequate on-site parking facilities.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE ANY WORKS COMMENCE ON SITE, full details of the finishes shall be submitted for approval in writing by the Planning Authority:

The development shall thereafter be carried out in accordance with the finishes approved unless changes are subsequently agreed in writing with this Planning Authority.

3. Prior to the occupation of the holiday let unit, there shall be 1 No. off street parking space provided for the holiday let unit, in accordance with the current Fife Council Transportation Development Guidelines. The parking space shall be retained throughout the lifetime of the development for the purposes of off street parking.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of visual amenity; to ensure that the external finishing materials are appropriate to the character of the surrounding countryside location.
3. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.

Ward: Kirkcaldy East**Proposal:** Alterations and part change of use of existing mixed-use development to form two retail units (Class 1) and two hot food takeaways (Sui Generis) with associated access and parking**Location:** 39 Rosslyn Street Kirkcaldy Fife KY1 3HS**Applicant:** Mr George John Mitchell 1 Eagle Street Glasgow Scotland G4 9XA**Agent:** Iain Mitchell Quayside House Dock Road Methil Dock Business Park Methil, Fife Scotland KY8 3SR**Application Permitted with Conditions****Approve** subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The cumulative noise from all plant, machinery or equipment shall be such that any associated noise complies with NR 30 during day-time and NR 25 during night-time hours in all habitable rooms, when measured within any noise sensitive property, with windows open for ventilation.

For the avoidance of doubt, day-time shall be 0700-2300hours and night-time shall be 2300-0700hours.

3. BEFORE THE PREMISES BECOMES OPERATIONAL, details of the installation and/or erection of any extract ventilation system, including details of the methods of treatments of emissions and filters to remove odours, control noise emissions and servicing regime shall be submitted by the operator for the prior written approval of this Planning Authority. Thereafter, the approved system must be operated at all times when the restaurant is in use and maintained in accordance with the manufacturer's instructions unless otherwise agreed in writing with this Planning Authority.
4. The hours of operation of Units 1, 4 & 5 of the development hereby approved shall be restricted to between 06:00 and 22:00 Monday to Saturday and 07:00 and 22:00 on a Sunday.
5. The hours of operation of Units 2 & 3 of the development hereby approved shall be restricted to between 09:00 and 23:00.
6. Prior to the occupation of the first unit, the reconstruction of the existing vehicular crossings of the Rosslyn Street footway back to cycleway/footway with upstand kerbing shall be carried out in accordance with the current Fife Council Making Fifes Places Appendix G and shall include the provision of measures to intercept surface water run-off, prior to it reaching the public road boundary (rear of the cycleway/footway).
7. Prior to the occupation of the first unit, a new surface course shall be provided on the public footway and its ancillary vehicular crossings along the full Pottery Street frontage of the application site, in accordance with the current Fife Council Making Fifes Places Appendix G. These works shall include the delineation of the tie in between the public footway and proposed pedestrian area at the frontage of Unit 5.
8. Prior to the occupation of the first unit, there shall be provided within the curtilage of the site a turning area for vehicles suitable for use by the largest size of vehicles expected to visit or be used by occupants of the premises, as shown on Drawing No 18. The turning area shall be formed outwith the parking areas and shall be retained through the lifetime of the development.
9. Within 6 weeks of planning consent being granted and prior to any works commencing on site, revised plans shall be submitted for approval by Fife Council as Planning Authority detailing the physical measures that will be installed (such as gates and lockable bollards) to ensure that only service vehicles can use the one-way service access onto Blyth Street. Once approved, these additional measures shall be provided prior to the occupation of the first unit and be maintained for the lifetime of the development.
10. Prior to the occupation of Unit 1, the servicing arrangement including the one-way route for servicing vehicles shown on Drawing No 07 shall be provided and fully operational and thereafter shall be retained for the lifetime of the development
11. Prior to the occupation of the first unit, there shall be provided within the curtilage of the site 52 parking spaces for vehicles in accordance with the current Fife Council Making Fifes Places Appendix G and as per the layout

shown on Drawing No 07. The parking spaces shall be retained for the lifetime of the development. For the avoidance of doubt, the proposed layby parking space at the frontage off Unit 1 is hereby not approved and shall be deleted from the proposals.

12. Prior to the occupation of the first unit, there shall be provided within the curtilage of the site 3 safe, covered and secure cycle parking spaces in accordance with the current Fife Council Making Fifes Places Appendix G. The cycle parking spaces shall be retained for the lifetime of the development.
13. Prior to the commencement of any construction operations on site, adequate wheel cleaning facilities approved by Fife Council as Planning Authority shall be provided and maintained in an operational manner throughout the construction works so that no mud, debris or other deleterious material is carried by vehicles on to the public roads.
14. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fifedirect.org.uk/contaminatedland.

15. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 14. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

16. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of residential amenity; to ensure adjacent residential dwellings are not subjected to adverse noise from plant equipment.
3. In the interests of residential amenity; to prevent odour associated with cooking affecting the residential property located adjacent the application site.
4. In order to protect the amenity of adjoining and nearby residents.
5. In order to protect the amenity of adjoining and nearby residents.
6. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
7. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
8. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.
9. In the interest of road safety; to ensure the provision of an adequate design layout and servicing arrangements.
10. In the interest of road safety; to ensure the provision of an adequate design layout.
11. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
12. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
13. In the interest of road safety; to eliminate the deposit of deleterious material on public roads.
14. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
15. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
16. To ensure all contamination within the site is dealt with.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fifedirect.org.uk/contaminatedland.

3. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 2. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

4. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified

in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

5. Prior to the occupation of each house, the off-street parking provision as shown on approved document 02 shall be provided in accordance with the current Fife Council Parking Standards. The parking spaces shall be retained through the lifetime of the development.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
3. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
4. To ensure all contamination within the site is dealt with.
5. In the interest of road safety; to ensure off-street parking is provided.

Refusal/Enforcement Action

Reason(s):

1. In the interests of residential amenity and proper planning; the Applicant has failed to submit to the satisfaction of this Council as Planning Authority, a sufficiency of appropriate information to properly demonstrate and inform this Council as Planning Authority that the Air Source Heat Pump (ASHP), as adapted, has been properly and correctly installed within the application site together with the submission of on-site noise assessments all in compliance with MSC Planning Standards and in conformity with condition 2 annexed to the Decision Notice dated 19th November 2019 in relation to Planning Permission 19/02448/FULL. The application proposal is therefore considered to be contrary to Scottish Government Planning Advice Note 1/2011 - Planning and Noise; Policies 1, 10 and 11 of the Adopted FIFEplan 2017; and the Low Carbon Fife Supplementary Planning Guidance (adopted 2019) and is recommended for refusal.

And

That the appropriate enforcement action is taken to ensure that the use of the ASHP ceases on or before 3 months from the date of this decision notice until a satisfactory resolution can be reached.

Agent: Andrew Black The Mews 27 Tay Street Lane Dundee Scotland DD1 4EF

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. FOR THE AVOIDANCE OF DOUBT, AND NOTWITHSTANDING WHAT IS NOTED ON ANY APPROVED DRAWING, the replacement natural sandstone boundary wall hereby approved shall NOT have a split face finish but shall consist of natural sandstone with a natural finish to closely match the character and appearance of the uncoursed random rubble sandstone wall it replaces.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of visual amenity; to ensure that the replacement boundary wall faithfully matches the character and appearance of the former Category B Listed Wall.

Location: Scott Lang Observatory Buchanan Gardens St Andrews Fife KY16 9LZ
Applicant: Mr John Calcutt Estates Woodburn Place St Andrews Scotland KY16 8LA
Agent: Iain Lyon Codebase 8-10 Corn Exchange Road Stirling United Kingdom FK8 2HX

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The construction of the development shall be carried out fully in accordance with the recommendations (construction method and protection measures) contained within the submitted Tree Survey Report (Plan Reference 06). This Planning Authority shall be formally notified in writing of the completion of such measures and no work on site shall commence until the Planning Authority has confirmed in writing that the measures as implemented are acceptable. The protective measures shall be retained in a sound and upright condition throughout the development operations and no building materials, soil or machinery shall be stored in or adjacent to the protected area, including the operation of machinery.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of visual amenity; to ensure that all trees worthy of retention are satisfactorily protected before and during construction works and during the lifetime of the development.

125 **Application No:** 22/02746/FULL

Date Decision Issued: 14/10/2022

Ward: St. Andrews

Proposal: Dormer extension to rear of dwellinghouse, formation of hard surface and erection of fence.

Location: 18 Kilrymont Road St Andrews Fife KY16 8DE

Applicant: Mrs Joan Tervit 18 Kilrymont Road St Andrews Fife KY16 8DE

Agent: Kenneth Tervit 37 37 Marchbank Drive BALERNO United Kingdom EH14 7ER

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

Ward: St. Andrews

Proposal: Installation of dormer extension to front of dwellinghouse and installation of balcony to rear of dwellinghouse

Location: The Thistles 9 Aikman Place St Andrews Fife KY16 8XS

Applicant: Mr Jim Sinclair 9 Aikman Place St Andrews UK KY16 8XS

Agent: Mark Mclelland 3 Haig Place Windygates United Kingdom KY8 5EE

Application Refused

Reason(s):

1. In the interests of protecting visual amenity; the proposed dormer extension set back distances from ridge, eaves and gables are not acceptable resulting in the dormer being too large in scale and thus overdominating that roof slope. As a result the proposed dormer would have a significant adverse visual impact on the character of this dwellinghouse, it would detract from the visual amenity of the surrounding area and set an undesirable design precedent for any future dormers that may be proposed at a future date on this street. As such, the dormer proposal is considered contrary to the Adopted FIFEplan (2017) policies 1 and 10, Making Fife's Places - Supplementary Guidance (2018), and Fife Council's Planning Customer Guidelines on Dormer Extensions (2016).

127 **Application No:** 22/02132/FULL

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The total noise from all plant, machinery or equipment shall be such that any associated noise complies with NR 25 in bedrooms, during the night; and NR 30 during the day in all neighbouring habitable rooms, when measured within any noise sensitive property, with windows open for ventilation. For the avoidance of doubt, daytime shall be 0700-2300hrs and night time shall be 2300-0700hrs.
3. The proposed landscaping schedule and plan forming part of the approved drawing under drawing number 02A, shall be implemented within the first planting season following the completion of the first dwellinghouse, unless otherwise agreed in writing with this Planning Authority.
4. All planting carried out on site shall be maintained by the developer in accordance with good horticultural practice for a period of 5 years from the date of planting. Within that period any plants which are dead, damaged, missing, diseased or fail to establish shall be replaced annually.
5. Houses in Multiple Occupation: The dwellinghouses proposed on the site shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt none of the residential units hereby approved shall be used for Housing in Multiple Occupation.
6. All roads and associated works serving the proposed development as shown on the approved drawing 02A, shall be designed in accordance with the current SCOTS National Roads Development Guide incorporating the Fife Council Transportation Development Guidelines (2018).
7. PRIOR TO THE OCCUPATION OF EACH PROPERTY, off street parking as shown on the approved drawing 02A shall be provided for that property in accordance with the current SCOTS National Roads Development Guide incorporating the Fife Council Transportation Development Guidelines (2018). The parking shall thereafter remain in place for the lifetime of the development unless otherwise agreed in writing with this Planning Authority.
8. Prior to the occupation of any property a turning area, constructed in accordance with the SCOTS National Roads Development Guide, shall be available for public use to ensure that all vehicles can enter and exit the access road in a forward gear.
9. No dwellinghouse shall be occupied prior to the installation of operating street lighting and footways (where appropriate) serving that dwellinghouse.
10. Prior to the occupation of any dwellinghouse hereby approved, the junction of Balgove Road and the access road to the development shall be constructed in accordance with the most recent approved Roads Construction Consent for the site.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of safeguarding residential amenity.

3. In the interests of visual and residential amenity and the effective landscape management; to ensure that adequate measures are put in place to protect the landscaping and planting in the long term.
4. In the interests of visual amenity and effective landscape management; to ensure that adequate measures are put in place to protect the landscaping and planting in the long term.

Agent: Donald Griffiths Eden Park House Eden Park Cupar Scotland KY15 4HS

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. IN THE EVENT THAT CONTAMINATION IS ENCOUNTERED that was not identified by the developer prior to the grant of this planning permission, all works on site (save for site investigation works) shall cease immediately and the Local Planning Authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the Local Planning Authority, development work on site shall not commence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the Local Planning Authority or (b) the Local Planning Authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement.

Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the Local Planning Authority. Unless otherwise agreed in writing with the Local Planning Authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the Local Planning Authority.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure any contamination found within the site is fully assessed and all remedial works carried out to the agreed protocol.

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

3. PRIOR TO THE OCCUPATION OF EACH FLATTED DWELLING, 2 off-street communal parking spaces per flat shall be provided in accordance with the current Fife Council Transportation Development Guidelines and as per the layout shown on Drawing No 416 - PL 103. These parking spaces shall be retained for the lifetime of the development.
4. PRIOR TO THE OCCUPATION OF THE FIRST FLATTED DWELLING; visibility splays of 2 metres by 30 metres (to a point measured 0.5 meters out from the nearside public road channel line) shall be provided and maintained clear of all obstructions exceeding 600 mm in height above the adjoining road channel level, at the junction of the vehicular access with the existing public road, in accordance with the current Fife Council Making Fife's Places Appendix G. The visibility splay shall be retained for the lifetime of the development.
5. PRIOR TO THE DEVELOPMENT COMING INTO USE, a completed maintenance schedule for all proposed SuDS, to include a detailed list of activities and timescales, as well as details of how the occupants of the development shall be made aware of their responsibilities, shall be submitted for the written approval of Fife Council as Planning Authority. The maintenance schedule should comply with the CIRIA SuDS Manual.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure all contamination within the site is dealt with.
3. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
4. In the interest of road safety; to ensure the provision of adequate visibility at road junctions etc.
5. In the interests of ensuring the provision of adequate SUDS measures.

Ward: West Fife And Coastal Villages

Proposal: Erection of ancillary accommodation to rear of dwellinghouse

Location: Grasmere Cottage 14 Main Street Carnock Dunfermline Fife KY12 9JQ
