13 June 2023
Agenda Item No. 5

Annual Taxi/Private Hire Car Inspection Report for February to June, 2023 - East Fife Area

Report by: Billy Ferguson, Service Manager, Fleet Operations.

Wards Affected: 17, 18, 19, 20 and 21

Purpose:

To advise the Committee of the outcome of the Annual Taxi and Private Hire Car Inspection Tests in the East Fife Area.

Recommendation:

It is recommended that:

- (1) random inspection tests, six months after the annual test dates, should be considered, where appropriate, to ensure public safety; and
- (2) the Committee takes any other steps it deems appropriate.

Resource Implication:

Arrangements may have to be made for thirty one random inspection tests.

Legal & Risk Implications:

There is a possible public safety risk if no random inspections are carried out.

Policy & Impact Assessment:

None

Consultation:

None

1.0 Background

- 1.1 This report gives details of the results of the inspections carried out on vehicles operating in East Fife in February to June, 2023.
- 1.2 Of the 221 vehicles tested in East Fife, 190 passed first time which equated to 86%, 31 vehicles failed but passed on re-test which equated to 14%. In 2022, 208 vehicles were tested and 197 vehicles passed first time which equated to 95%. 11 vehicles failed but passed on re-test which equated to 5%.
- 1.3 Summaries of the results are attached in Appendix 1 to this report.

2.0 Issues and Options

- 2.1 As well as considering random testing of vehicles, the Committee, may deem it appropriate to:
 - invite those operators whose vehicles failed the test to a meeting with the Convener and Vice Convener of the Committee to discuss their maintenance procedures; or
 - consider whether or not to hold a Hearing under paragraph 11 of Schedule 1 to the Civic Government (Scotland) Act 1982 which relates to suspension of the licence.

3.0 Conclusions

- 3.1 The first-time pass rate has decreased substantially. It is disappointing to report that so many vehicles failed the test. The Operators should be reminded that their vehicles should be maintained to a very high standard, at all times.
